Beesby Carol Concert

Well it's that time of the year again, Mince Pies, Mulled Wine, Santa visits and Carol Service. St. Andrews Church was full on a miserable night, the candles were lit and a warm welcome awaited. For the first time in as long as I can remember Pearl was poorly and unable to attend, on her birthday too! The church family rallied round thanks to Mike who led the service we got through!

Carols and readings filled the air, we even had a visit from Santa after the children presented their tree decorations and boxes which they had all made. Susan read The Night Before Christmas for the children both big and small. Afterwards the congregation

enjoyed Mulled Wine, mince pies and biscuits before venturing home still in the pouring rain. Thanks to everyone who helped make the evening a success and pleased to say Mum White (Pearl) is feeling better. Merry Christmas one and all.

Festive Greetings

On behalf of Jane, Brenda ,Anthony, Steve and myself, your Parish Councillors, may I wish you all a very Merry Christmas and a Happy New Year.

I had hoped last year that the war in Ukraine would be over by now, but we have another one as well in the Middle East. Let's us hope peace returns in 2024.

David Whitehouse, Chairman, Maltby-le-Marsh Parish Council.

Village Hall Round-up

We have had many successful and well attended monthly coffee mornings with the popular home-made cakes stall making it a definite visit for cake lovers, many thanks to the chefs who gave their precious time in baking.

The Kings Coronation in May was a well attended, again the village hall committee pulled out all the stops for an afternoon tea party with home-made savoury and sweet treats.

For something different, a full English was served at the October meeting which was enjoyed by many. Also a harvest auction raising funds for the hall.

At our November meeting we held a Remembrance Day service and afterwards Derek was behind the scenes preparing the delicious hot soup served for some cold people.

Several weeks of the "Warm Spaces" mornings where tea, coffee and biscuits were served unfortunately had to be cancelled due to poor attendance

Various events are being planned for 2024 and will be advertised in the new year.

W.I Christmas Concert

The first event of the Christmas season started off with a very enjoyable and entertaining concert by the Withern

Singers, organised by the W.I. earlier this month

The choir was down in numbers this year due to

colds and flu but they still performed with their usual professionalism. After the concert

a raffle was drawn. A well stocked buffet was provided later in the evening
